

Electrolux Professional  
Multi-Housing Laundry

**‘Excellent  
textile care,  
water and energy  
savings in one.’**

*Carl Necking  
Campus Manager,  
Malmö Studenthus,  
Malmö*

# Offer your tenants easy and reliable washing with the best possible results

Best-in-class efficiency at the lowest utility cost

*When it comes to laundries in shared housing, quality means optimal wash results, short washing times, low running costs and unfailing reliability. That's why you need a partner with expertise and experience – one who knows professional appliances inside and out.*

Electrolux Professional boasts first-rate expertise in laundry solutions, backed up by global leadership. We offer the largest and most flexible product range on the market. **Our intelligent features and unique extras will support you with the best economy, fastest process, flexibility and trouble-free operations for years to come:**

- ▶ Up to 50% savings in running costs with Automatic Saving System and Efficient Dosing System
- ▶ Fast and energy-efficient laundry process thanks to best-in-class construction and technologies – eg, drum Speed Soak, Super Balance™/Power Balance and Heat pump technology
- ▶ User-friendly control system with multi-language selection
- ▶ Trouble-free operations thanks to robust construction and innovative design
- ▶ 110 years of experience in the professional laundry business – complete solutions provider since the 1950s
- ▶ Greater service flexibility – experts, training and the world's largest service network

## Electrolux Excellence

Excellence is central to everything we do. By anticipating our customers' needs, we strive for Excellence with our people, innovations, solutions and services. Thus making our customers' work and life easier and more profitable.

## Unique Service Excellence

Always near.  
Always there for you

A reliable, global presence: Electrolux Professional offers the most extensive service network of skilled, authorised partners for daily tasks: installation, spare parts and maintenance. All of them provide efficient customer service and fast technical assistance. A global service network for prompt, expert advice worldwide.

- ▶ 1,900 authorised service centres
- ▶ Over 7,000 expert technicians
- ▶ 44,000 available spare parts in stock
- ▶ Spare parts are available for at least 10 years from the end of production
- ▶ 24–48 hr spare parts delivery worldwide
- ▶ 20,000 customers serviced every day

# Excellence for your Multi-Housing Laundry

Intelligent features  
and unique extras

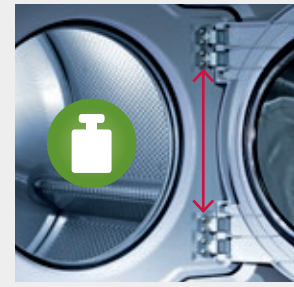

A close-up photograph of the front-loading door of a white Electrolux washing machine. The door is slightly ajar, revealing the interior drum. The Electrolux logo, consisting of a square icon with a stylized 'E' and the word 'Electrolux' in a serif font, is prominently displayed on a light-colored oval plaque on the door's frame. The background is a soft, out-of-focus grey, suggesting a modern laundry setting.

Electrolux

**Best utility cost optimisation**  
with Compass Pro®

- ▶ Flexible and customisable
- ▶ Up to 55 programs available of which 15 programmable thanks to Compass Pro® with the Unique Triangle Technology

**Built for heavy operations**

- ▶ Robust metal door
- ▶ Hinges set wide apart

by high extraction at 530 G thanks to Power Balance Technology and drum Speed Soak
- ▶ **Lower maintenance costs**  
Seal positioned in the door  
– Hygienic design, long lifetime

### Dryer T5130

- ▶ **Professional performance and quality**  
in a compact format
- ▶ **Stackable with W555H**
- ▶ **Extra silent drying process**  
Specially designed lower plate to prevent noise and tighter airflow construction
- ▶ **Highest productivity**  
Lowest utility cost and drying time thanks to Residual Moisture Control
- ▶ **Extra-long lifetime**  
thanks to stainless steel outer drum, robust and durable cabinet
- ▶ **Optimum space savings**  
with stacked dryer on washer

### Ironer IB 42310

- ▶ **Big capacity in compact format**  
with adjustable temperature for excellent results
- Drying Cabinet TS560
- ▶ **Compact design**  
for maximisation of space
  - ▶ **Best ergonomoy**  
Flexible interior for easy loading of bulky items
  - ▶ **Gentle drying**  
for sensitive garments and objects

## Advanced Multi-Housing Laundry solution

The favourite solution suitable for 10 – 14 families

**Laundry equipment:** 2 x Washer W575H, Dryer T5190, T5250 or T5300LE, Drying Cabinet TS5121/LE alternatively TS5180/LE or build your drying room with our dryers and line systems, Cold Ironer KM480 and an Ironing Board

Washer W575H

- ▶ **Excellent wash results**  
thanks to customised programs for multi-housing laundries
- ▶ **Superior economy**  
thanks to water savings with Automatic Saving System. Up to 50 % water savings for half load. Energy savings due to less water to heat
- ▶ **Extra savings in drying**  
through high extraction thanks to Power Balance Technology and drum Speed Soak
- ▶ **Faster wash cycle**  
thanks to efficient programs

Dryer T5190, T5250 or T5300LE

- ▶ **Best performance, high productivity:**
  - Up to 60 % energy savings with Heat pump technology on T5300LE
- ▶ **Lowest utility cost and drying time** thanks to Residual Moisture Control
- ▶ **Excellent drying results** thanks to Reversing Drum Action
- ▶ **Different energy solutions to minimise cost:** dryers are available for electricity with different types of heat recovery, heat pump and gas heating

Drying Cabinet TS5121LE or TS5180LE

- ▶ **Excellent drying**  
for sensitive garments and objects
- ▶ **Perfect for bulky items**  
Optimised interior caters for heavy or atypical items
- ▶ **Lowest energy consumption**  
with Heat pump technology (TS5121LE, TS5180LE)

Cold Ironer KM480

- ▶ **Easy to use**
- ▶ **Robust construction**  
in a compact format

## Superior Multi-Housing Laundry solution

Recommended in combination with 2 or more Advanced Multi-Housing Laundry solutions for the possibility to wash bigger and heavier items

**Laundry equipment:** Washer W5130H or W5180H, Dryer T5290, T5350 or T5300LE, Drying Cabinet TS5180

Washer W5130H or W5180H

- ▶ **Excellent wash results**  
thanks to optimised programs for multi-housing laundries
- ▶ **Superior economy**  
thanks to water savings with Automatic Saving System. Up to 50 % water savings for half load. Energy savings due to less water to heat
- ▶ **Extra savings in drying**  
through high extraction thanks to Power Balance Technology and drum Speed Soak

Dryer T5290 or T5300LE

- ▶ **Best performance, high productivity:**
  - 10% less drying time
  - 15% less energy consumption
- ▶ **Lowest utility cost and drying time** thanks to Residual Moisture Control
- ▶ **Excellent drying results** thanks to Reversing Drum Action
- ▶ **Different energy solutions to minimise cost:** dryers are available for electricity with different types of heat recovery, heat pump and gas heating
- ▶ **Low maintenance costs, fast servicing:** easy-to-clean lint screen, accessible key parts

Drying Cabinet TS5180

- ▶ **Excellent drying**  
for sensitive garments and objects
- ▶ **Good for bulky items**  
Optimised interior caters for heavy or atypical items
- ▶ **Big capacity**  
Available in different energy solutions

## Route installation

The extra efficient solution for larger Multi-Housing buildings with privately owned Self-Service Laundry

**Laundry equipment:** 6 x Washer W575N, 4 x Washer W5130N, 2 x Washer W5180N, 2 x Dryer T5300S and 1 x Dryer T5420S

Washer W575N, W5130N, W5180N

- ▶ **Excellent wash results**  
thanks to optimised programs for multi-housing laundries
- ▶ **Extremely high reliability**  
thanks to sturdy rugged design
- ▶ **Faster wash cycle**  
thanks to efficient programs and drum Speed Soak

Dryer T5300S, T5420S

- ▶ **Optimised use of space**  
with stacked dryers
- ▶ **Lowest utility cost and drying time**  
thanks to optional Residual Moisture Control
- ▶ **Excellent drying results**  
thanks to Reversing Drum Action
- ▶ **Low maintenance costs, fast servicing:**  
easy-to-clean lint screen, accessible key parts

# Technological Excellence makes the difference

## Washer

**High reliability**  
with heavy-duty construction

- ▶ Quality components

**Unique flexibility**

- ▶ 4 detergent compartments for manual dosing of powder and liquid
- ▶ Possible to connect to 5 liquid signals

**Superior efficiency and economy**  
The Efficient Dosing System automatically calculate the precise amount of detergent

- ▶ Up to 20% savings in running costs
- ▶ Best quality results and skin care
- ▶ No overdosing

**Easiest serviceability**  
via USB connection on front panel

- ▶ Fast upgrade of programs

## Dryer

**Extra-long lifetime for professional use**

- ▶ Professionally built stainless steel outer drum
- ▶ Extremely robust and durable cabinet

**Increased lifetime**  
with Support Rollers

- ▶ Improved drum stability
- ▶ Longer life of bearings

**Fast maintenance**  
thanks to

- ▶ Improved ergonomics
- ▶ Easy-to-clean lint screen

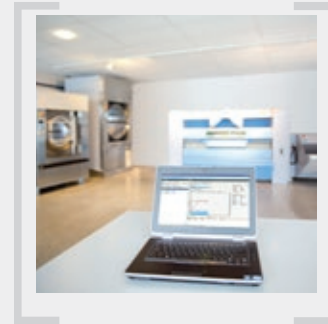

**Most kg washed and dried/m<sup>2</sup>**  
**Smallest footprint on the market**

- ▶ Up to 40% smaller in comparison to competitor machines (W555H + T5130)

**Easy loading and unloading**  
with ergonomic, fully-opening door

**Total cost control**  
thanks to the Certus Management™ Information System

- ▶ Boosts savings and profitability
- ▶ Enables process validation

**Innovative software from Electrolux**
