

**535144 (NLDEF)**

Large 35" dryer with door, boosted double fans, electric, for multi-rinse rack type dishwasher

Main Features

- Electronically controlled to optimize drying results.
- Drying zone removes most of water from the crockery through a high powered fan that extracts dry air from outside mixing it with the internal air, thus providing dry plates at a temperature cool enough to handle safely.
- IP25 protection against water jets, solid objects and small animals (larger than 6 mm).
- The feeding direction can be either left to right or right to left as it's reversible on site.
- Large counter balanced inspection door allows unrestricted all-round access to the internal area. Door is insulated with injected foam. This adds strength as well as reduces noise and heat loss.
- Unit to be placed between multi-rinse rack type dishwasher and handling system.
- Upper and lower fans to improve air flow, specific to dry reusables or plastic materials.

Construction

- Adjustable feet for full access underneath the machine for cleaning.
- The chamber is pressed with fully rounded corners without internal pipes and therefore no hidden dirt traps.
- All main components made in heavy duty anti-corrosive 304 type stainless steel: internal chamber, external, front and side panels, door and rack transportation system.
- The unit is built on modularity concept to easily connect with multi-rinse rack type dishwasher without any modification including power connection.

Technical specifications

Electric	
Supply voltage:	380-415 V/3N ph/50 Hz
Default Installed Power:	8.7 kW
Dryer heating elements:	[[TechSpec].fDInstPower VALUE NOT FOUND] kW
Drying fan power:	[[TechSpec].sDFanP VALUE NOT FOUND] kW
Key Information:	
External dimensions, Width:	890 mm
External dimensions, Depth:	873 mm
External dimensions, Height:	2020 mm
Height with door open:	[[TechSpec].fHOpenDoor VALUE NOT FOUND] mm
Net weight:	148 kg
Shipping weight (gross):	170 kg
Shipping height:	2240 mm
Shipping width:	1030 mm
Shipping depth:	910 mm
Shipping volume:	2.1 m³
Dryer air flow:	[[TechSpec].sDFanCap VALUE NOT FOUND] m³/h
Dryer air temperature:	[[TechSpec].sDAirTemp VALUE NOT FOUND] °C
Sustainability	
Noise level:	<62 dBA
